## CATALOC SPRING 2024

### BEENYONNSTUDIOS

### Introduction

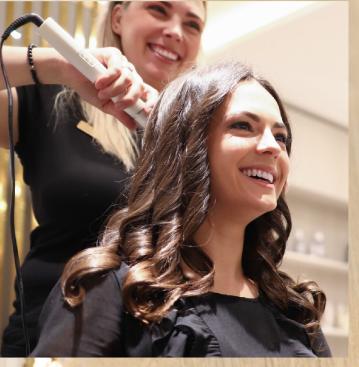

We are revolutionizing the way salon suites businesses are done by having the most opulent space for you and your client where design, elegance, technology and functionality all work in harmony.

Experience the difference

### Our Vision

Opulent Salon Studios with the beauty & wellness entrepreneur in mind.

### Our Mission

Revolutionize the beauty and wellness industry by creating a space for fierce female entrepreneurs where we ignite and fuel each other's fire.

### THE STUDIOS

Experience the difference with our **premium in house services that can help you be** seen, get booked and nurture a tribe that comes back to you time and time again.

We have new, never-seen-before, features and amenities:

- Alexa systems- Alexa makes your life easier, more meaningful, and more fun by letting your voice control your world.
- Keyless entry is also available on every studio, so say goodbye to the old days when you had to carry your keys or get left out from your studio. All you need is your phone!
- Dedicated color processing room
- Premium backwash shampoo bowls
- 2 decadent selfie stations for so many photo opps!
- Healthy smoothie cafe to keep you focused and energized
- Free onboarding marketing consultations
- Monthly content creation opportunities

All of this is included with every lease to get you profitable asap.

Honey, these studios are designed with the beauty entrepreneur in mind and to set your bottom line on fire . We can't wait for you to be part of this break-through community.

### FLEX MODELS

Flex models ready to move in with sophisticated finishes and techy features to make your business smooth and efficient:

- Custom made top and bottom cabinetry with
- Sophisticated Calcutta counter tops
- Beautiful matching mirrors to make your studio flow and look cohesive
- Depending on your professional needs we may add state of the art free standing shampoo bowls with backwash available & stylist seat.
- Many of our studios offer outdoor windows and natural lighting.
- All of our studios come with unlimited access to laundry, utilities and wifi included.

Contact us for availability and pricing. Prices might change without notice and are not guarateed at the time of lease.
